Dear Sir

Your letter of Oct. 25 – in behalf of the Society of Inquiry &c came into my hands yesterday.

In answer to your inquiry permit me to say that in regard to the Questions propounded, a full & satisfactory answer will be found in a certain pamphlet – giving an Acct of our Moravian Church & very full statistics – which is about to be printed & may be ready in a month or two; when I shall take pleasure in forwarding a copy to you.

In view of this, please excuse me if at this time I do not enter further into a reply to the contents of your letter. Should the pamphlet not make its appearance with you in due time, please to remind me of it. –

Truly Yours in the bonds of Christian fellowship Jno C. Jacobson
